The poster is designed to look like a wooden sign with a fox character standing on top. The sign reads 'Maker Camp' in a large, stylized font, with '2023 WINTER @NYCU' below it. To the left of the sign, a fox character is standing on a roof. To the right, there are two QR codes with the text '看看粉專!' (Check the fan page!) and '現在報名!' (Sign up now!). Below the sign, there are two main sections: '入門梯 1/30-1/31' (Introductory Course 1/30-1/31) and '挑戰梯 1/30-2/1' (Challenge Course 1/30-2/1). The introductory course includes '程式設計' (Programming), '電子元件' (Electronic Components), and '相撲車' (Sumo Car). The challenge course includes '網頁設計' (Web Design), '迷你遊戲機' (Mini Game Console), and '黑客松' (Hackathon). To the right of these sections, there are two more QR codes with the same text. Below the QR codes, there are two more QR codes with the same text. At the bottom, there are three logos: 'E' (Education), 'NYCU' (National Yang-Ming University), and 'NYCU' (National Yang-Ming University).
